8. (Secret - JGC) After the meeting of the CIA Subcommittee of House Armed Services, I met with Mr. J. R. Blandford, who advised that it would be appropriate to clear Mr. Frank Slatinshek, Committee Counsel, in such areas as will be necessary for him to sit in on CIA briefings. Mr. Blandford also advised that although Mr. Gubser may well be sitting with the CIA Subcommittee on those occasions when Mr. O'Konski is not present, determination has not been made by the Chairman concerning replacements for Mr. Hardy and Mr. Halleck. Mr. Blandford also expressed the Chairman's appreciation in the conduct of today's meeting.

9. (Confidential - JGC) Met with Mr. Jerry Friedheim, Press Assistant to Senator John Tower (R., Texas), as a followup in my conversations with him on Friday. Mr. Friedheim advised that the information and guidelines furnished on Friday concerning classification of Agency personnel rosters and organizational structure was sufficient and that nothing more is desired by Senator Tower at this time. I took the occasion to extend an invitation to the Senator to visit the Agency for briefings and arranged with Mr. Friedheim to contact him in two weeks or so to schedule a visit to the Headquarters.

10. (Confidential - JGC) Met with Mr. Ben Gilleas, Senate Preparedness Investigating Subcommittee, and received from him copies of several intelligence studies and other classified documents that had been furnished to the Committee. For a detailed listing of the documents, see Memorandum for the Record. I receipted for the return of the documents.
